

Showers

Multi-Piece Units

From the tough composite structurally-reinforced walls to the easy to maintain gelcoat finish, Bestbath sets the standard for intelligent design.

- Hundreds of shower sizes made to fit your needs
- Multiple threshold heights for all applications
- 1-day installation

Barrier Free Shower

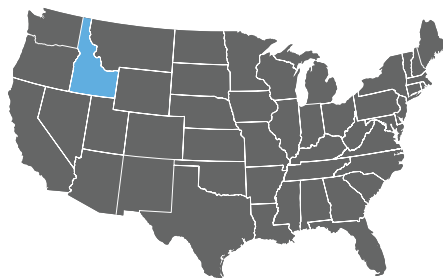

Roll-In Shower

About Bestbath

Bestbath leads the world in manufacturing high-quality bathing solutions. Our products — from traditional shower inserts to grab bars and other accessories — have been at the forefront of timeless design since 1969. We work closely with architects, commercial project developers, and homeowners to ensure our designs provide the function and value needed today and for many years to come.

Better living begins with Bestbath.

Form & Function

Intelligent Designs Built to Last

Bestbath® provides luxury bathing options, expertise and peace of mind to any bathroom remodel project. Made with our state-of-the-art manufacturing process and backed by a 30-year warranty, our composite showers and baths can be installed in a day and last a lifetime.

Easy to Maintain

Built with a durable gelcoat, Bestbath showers prevent mold and mildew build up, making them easy to wipe down and clean. With routine maintenance, Bestbath showers help prevent the spread of germs, viruses and infections — ensuring better hygiene for all.

Superior Construction

Shower Components

- 1 Snap System Assembly**
Walls on remodel units snap together for an easy but watertight installation
- 2 Flange Trim or Window Kit**
Made with matching or contrasting colors to avoid drywall repairs
- 3 Barrier Free Thresholds**
- 4 Integral Plywood Reinforced Walls**
